

Saint Stephen's Episcopal School

TEACHER OF MIDDLE SCHOOL MATHEMATICS

Bradenton, FL

START DATE: August 1, 2024

WELCOME TO SAINT STEPHEN'S

At SSES, we believe in our promise that, when all people are known and valued, anything is possible. That's why our alumni have gone on to become NASA scientists, corporate CEOs, respected medical professionals, university professors, entertainers, pro athletes and more. It's also why amazing teachers choose to work here . . . and why they stay. So welcome to Saint Stephen's, a place where kindness prevails, where excellence is instilled, and where our promise is a reality.

SUMMARY OBJECTIVE

Join Saint Stephen's Episcopal School in Bradenton, Florida as a teacher of **7th Grade Mathematics**.

Covering Pre-Algebra and Advanced Pre-Algebra, along with overseeing an advisory, this role is academic and pastoral. Each 7th-grade advisor joins the class trip in May to the Florida Keys.

SALARY: \$48K-\$60K

HOW TO APPLY

Saint Stephen's Episcopal School has partnered with Dovetailed on this search. Interested candidates should email a cover letter (addressed to Associate Head of School/Upper School Director Andrew Forrester), a resume, and a list of at least three professional references consolidated as a single PDF document to Madison Sunley, Recruiter, at madison@dovetailedsourcing.com.
